Local Authority Dundee City Council

Description The Corner health, information & peer-led services aims to work with young people in a manner which reflects the principles stated in the "UN Convention on the Rights of the Child". It strives to redress the inequalities experienced by young people through offering them assistance to develop skills and confidence, and support to move forward and make positive choices in their lives. The Corner offers a broad range of health, information and peer-led services for young people. This is carried out in partnership with other agencies. A wide range of reports and promotional resources can be accessed by contacting the Corner.

Services The Corner is based in the centre of Dundee and offers a wide range of Health & Peer-led services to young people aged 11 - 19 through the Drop-in centre and outreach work in local schools and communities. Services are free, informal and confidential and include: -

- Range of contraception and pregnancy testing, sexually transmitted infection (STI) screening
- Information on a wide range of topics including drugs, housing and health promotion
- Individual Support and Support U+ (Counselling) on a range of issues relevant to young people at their pace
- Support to access legal advice, training & employment services
- Access to PCs and internet
- Events and Support/Interest based opportunities focusing on a wide range of issues and needs
- Outreach with young people in schools, colleges and community bases
- Local base for LGBT Development Worker and Addaction Substance Misuse Worker
- The Peer-led Service's Healthy Transitions Team trains S2 pupils in all High Schools to deliver a programme focussing on risk-taking behaviour to P7 pupils in the associated cluster schools

If you want to assist a young person to access individual support or visit The Corner Drop-in staff will be able to assist. The Corner will strive to make special efforts to try to meet the needs of any individual or group.
